

Expressive Art Therapies

Saturday Sept 22, 2018 2:30-7:30 PM

Location: 4112 Spring Garden Suite B Greensboro, NC 27404

Be introduced to Expressive Art therapy. Common terms used in Dance/Movement Therapy, Drama Therapy, Art Therapy, Psychodrama and other Expressive Art Therapies will be discussed. The group will then go through terms and discuss those that are not familiar. Participants will then have an experiential in each term/theory allowing the opportunity to experience a wide variety of expressive art therapies. This training will be tailored to the level of the participants offering new information and challenges to beginning, intermediate and advanced practitioners.

Come prepared and dressed to move! Format will be ½ Discussion and ½ experiential!

*Work shop is targeted to licensed mental health professionals
