**Any special accommodations will
need to be discussed a week prior
to child attending.**

Come and Play is an exciting opportunity for children ages 9-16 to work on social skills. Guided by Angela, attendees will interact with peers, learn and enhance critical social skills, practice sharing, develop creativity and learn to work as a team all while using dance and drama to have FUN!!!

Do you know of someone who could benefit from safe structured play that incorporates:

Theater Games	Fun
Social Skills	Sharing
Communication	Reflecting
Turn Taking	Hula Hoops
Team work	Laughter
Conflict resolution	Drawing
Dance	Action Games
Positive peer to peer interactions	

Please note that while Angela Wiley will utilize therapeutic tools/themes as she is a Licensed Mental Health Professional and the groups themselves may have a therapeutic benefit, they are not intended to be therapy sessions.

Space is limited please sign up ASAP!!!

Parents are asked to drop off/pick up child on time.

If waiting for your child please remain in the lobby waiting area.
